2. It is observed from the audit report for 1925-26, recorded in G.O. No. 146 R. L.E. dated 21-3-27 that a sum of Rs. 500 was credited to the Elementary Education fund from the general revenues, but in the actuals of 25-26 the Board has shown a sum of Rs. 1010 as minus entry. Similarly the closing balance for 1925-26 which should be the opening balance in 1926-27 was Rs. 4530.

3. The sum of Rs. 5340 taken credit for in the Budget Estimate for 1927-28 as Government contribution under Section 37, will be liable to revision with reference to the proceeds of the Education cess actually realised in 1926-27.

4. The sum of Rs. 21,500 taken credit for in the Budget Estimate for 1927-28 as Government contribution under the proviso to Section 37 should be raised to Rs. 23014 as shown below, the amount being liable to revision with reference to the subsidy payable under G.O. No. 757 L.E. dated 1-5-26 and towards the allowance of Rs. 4.

(Designation) President, Taluk Board Coondapur.

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir, / Thro' the President, District Educational Council South Kanara Mangalore /

I have the honour to enclose herein the budget Estimate of the Elementary Education Fund of this Taluk Board for the ensuing official year 1927-28, in the revised form appended to G.O. No. 1772 Law (Education) dated the 8th September 1926.

2. Provision for the contribution from General Account to Elementary Education Account has been made as ordered in

G. O. No. Mis. 1313 Law (Education) dated the 12th July 1926. viz Rs 3200. at a great sacrifice of the General Fund, which is hardly in a position to meet with the most necessary ordinary requirements of the Board.

3 The present office staff being found inadequate to cope with the work relating to Elementary Education Fund, a clerk was entertained agreeably to G.O. No. 106 Law (Education) dated 25.1.26, but Government declined to sanction the cost of the clerk to be debited to Elementary Education Fund, on the recommendation of the Director of Public Instruction Madras, stating that as the number of Schools under the management of this Taluk Board is only 87, there seems to be no necessity for the employment of a clerk. Hence the services of the clerk so entertained, have been dispensed with.

4. In this connection I submit, that the work in respect of 87 schools gives sufficient work to two clerks and the Existing Establishment finds it impossible to cope with the work satisfactorily.

5. I therefore request that you will be so good as to move Government to sanction the entertainment of a clerk on Rs 30-1(annual)-40, so that the clerk may be reinstated and the accounts of the Elementary Education Fund

may be properly maintained

6 A copy of the Value Board resolution approving the budget Estimate is herein enclosed.

I have the honour to be
